

## BUY A BOOK FOR THE LIBRARY

Nothing is more important to a library than books...except the people who read them. Your generous donation will be used to purchase new books - books that will be available to the children who broaden their dreams through reading, and to the adults who read to learn more about themselves and their world. Help increase the number of books on the shelves or in the digital collection of your library. Contribute to the Library's BUY-A-BOOK PROGRAM today.

A contribution to the Stockton- San Joaquin County Public Library's BUY-A-BOOK PROGRAM is more than just a tax-deductible donation; it's a gift to the people in your community who rely on the public library for education and information. Your tax-deductible donation (payable to City of Stockton) may be sent to:

BUY A BOOK PROGRAM
Stockton-San Joaquin County Public Library
Attn: City Librarian
605 N. El Dorado Street
Stockton. CA 95202
