CESAR CHAVEZ CENTRAL LIBRARY RECEIVES LANDSCAPE REDESIGN

City Librarian Suzy Daveluy announces that Stockton-San Joaquin County Public Library has graciously been chosen to receive a landscape redesign by the local non-profit group, Stockton Beautiful. The reimagined landscape at the Library will not only be efficient, drought resistant, and beautiful, but will also excite and inspire community residents to visit the public library.

A Beautification Celebration event will take place on May 2, 2016 from 5:30 p.m. to 6:30 p.m. in the front patio at the southeast corner of the Cesar Chavez Central Library. The Library is located at 605 N. El Dorado Street in Stockton.

"We are honored to have Stockton Beautiful choose the Library for their most recent project that helps further their mission of promoting the appreciation of Stockton's unique locations," stated City Librarian Suzy Daveluy. "We are excited to see the landscaping in its final stage and encourage community members to join us at our Beautification Celebration in which we will dedicate a plaque to Stockton Beautiful, recognizing them for this project and all the work they do in the community."
